Ex parte Application to Deem Motion for Sanctions Improper

MOTION FOR SANCTIONS IS IMPROPER AS A MATTER OF PROCEDURE

“Any motion for sanctions, regardless of the sources of authority invoked, must comply with the following: ... unless otherwise ordered by the Court, no motion for sanctions may be served and filed more than 14 days after entry of judgment by the District Court.” L.R. 7-8(d).

Furthermore, L.R. 7-8(c) states, “[t]he motion must comply with any applicable Fed. R. Civ. P. and must be made as soon as practicable after the filing party learns of the circumstances that it alleges make the motion appropriate;”

The instant motion for sanctions was filed and served on Thursday, February 8, 2018. *See* ECF No. 64. Pursuant to L.R. 7-8(d), since judgment in the instant matter was entered on Wednesday, January 24, 2018, thereby making last day to file a sanctions motion to be February 7, 2018.

Further, since all allegations stated in the motion for sanctions were allegedly undertaken by the undersigned prior to the Court hearing date of December 14, 2017, Defendant had numerous opportunities to file a motion for sanctions he now seeks. However, Defendant literally waited till the last minute to file his motion for sanctions and has now missed his deadline. Therefore, even if Defendant alleges a clerical error, he cannot provide any reasonable excuse why this motion was not filed as soon as practicable after learning the circumstances that he alleges make the motion appropriate.

Therefore, in the interest of judicial economy, the Court is requested to deem the motion for sanctions as improper and remove it from calendar.

Date: February 10, 2018
